How to run the HICS training report via Manager Dashboard in the Duke LMS

- This document will show you how to run a report via the Manager Dashboard to see who has completed the HICS Emergency Preparedness course in your organizational unit.
- Note: If you are not able to view learning for all your direct reports, your relationship may not be established in Duke@Work. Follow this <u>link</u> to update in HR
- LMS Link >> https://lms.duhs.duke.edu/Saba/Web/Cloud
- Video>> Run Reports in Manager Dashboard (3 mins)
 - 1. Log into the LMS, in upper right, select **Go To >> Manager Dashboard**

Welcome	^
Go To:	Home
	Home
-	Manager Dashboard

2. Select the **Reports** Tab.

	Manager Report: Registration & Completion by Course for an ORGANIZATIONAL Unit	Registration Template for Administrators	This report will allow you to select an Organization (i.e. your unit) and Course to show a list of user Registrations & Completions for the	Saba Ad hoc A <u>ctio</u>	

 In the Organization field, type in your Org unit as defined by HR (use the <u>Duke directory</u> to search on your name to determine). On the offering equals field type in **HICS** and select the course then select **Generate Report**

TIP: On some reports you select the picker icon to search for a specific course or user. On some others you can use the Contains parameter to generate a report for all courses with a similar name. Use the % signs around your search term in contains field to get a list of results (e.g. %POCT% to see all POCT courses).

6. On the Results page you can click the **Export** link to export to Excel.

- 7. In Excel you can Apply Filters and do further data mining.
- 8. **NOTE:** This is a registration and completion report. If there is no date in Column H they have not completed. If they did not register they will not show on the report.
